# "I miss your smile" Greeting Cards

 15 Minutes

## *Instructions:*

1. Use your scissors to cut out the parts of the greeting card that are marked with scissors.
2. Take a square of yellow paper (or use a yellow marker to color a white paper yellow) just big enough to cover the full circle you just cut out.
3. Glue the yellow paper to the back of the card with the yellow side facing inside the card. This way when you open the card you see a yellow circle.
4. Use your black and red yarn or markers to add the details

of the smiley face; the eyes and mouth (see activity picture) on the yellow circle inside the card.

5. Write a friendly greeting on your card, decorate it and there you have it! A heartfelt greeting card!
6. Mail your card to a friend or a family member you haven't seen in a while, it will make them so happy!
