

Take the Challenge

Pipe cleaners and tin foil

 20 Minutes

Instructions:

1. Using tinfoil and pipe cleaners, create your very own sculpture! Twist, mold, and shape the materials to form your masterpiece.
Bonus option: Make your sculpture connect with something that has to do with camp!
2. When you're done, take a photo of your sculpture and write a brief description explaining what it is.
3. Send your photo and description to the camp director to be featured in an online sculpture exhibit!

OVERVIEW

Design something creative out of just pipe cleaners and tin foil! Submit a photo of your creation and a brief description to your local camp chapter for a chance to be featured in an online sculpture exhibit.
