

Take the Challenge

Dance Off

 20 Minutes

Instructions:

1. Download the music track and connect it to speakers.
2. Your task is to choreograph a dance to the provided song. You can either learn the Ckids camp out the box dance via the instructional video link (it has step by step instructions) or get creative and make up your own dance!
3. Practice your dance with the music until you've mastered the moves and record a video of yourself dancing to the music.
4. Send your video to the camp director to be featured in an online dance off competition!

OVERVIEW
