

Marble Run

 20 Minutes

Instructions:

1. Trace the maze template onto the inside of the cardboard box using a pencil and ruler. (You can also glue the template directly inside the box OR design your own maze.)
2. Arrange the straws to line up on top of the traced maze lines. You will have to cut some of the straws to fit the size of each line.
3. Once you have some of the straws cut to size and layed out in place, glue them down in place.
4. Continue arranging the straws and glueing them down until all the straws are in place.
5. Let dry.
6. Add a marble and play a game of marble run, get your marble to roll from start to finish in record time!
