

Take the Challenge

Hoops and Shooters

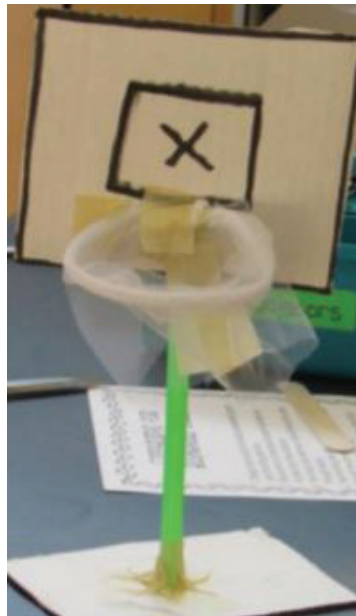

Continued

4. Build a shooting catapult. There are many ways to build it, here are some ideas.
5. Decorate your basketball backboard and practice shooting those hoops!

- **T-shaped catapult:** Use craft sticks, rubber bands and tape the small cup to the end of it

- **See-saw style catapult:** Use craft sticks, a paper tube and tape.

6. How many times can you shoot the ball inside the hoop in 1 minute?
