

## Tissue Paper Flowers

 20 Minutes

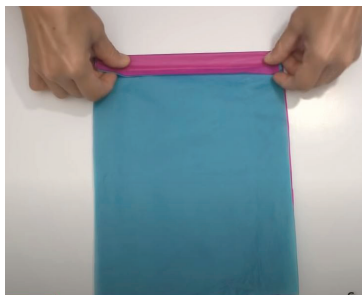

### Instructions:

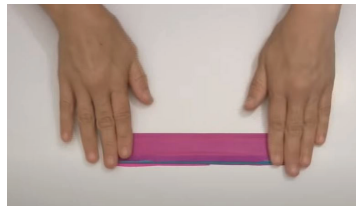

1. Stack 4 pieces of tissue paper. Make your flower more interesting by using different colors.

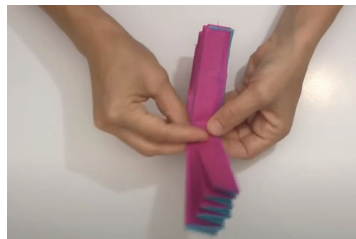

2. Place the shorter side of the tissue paper rectangle toward you and fold the tissue paper in 1-inch accordion style folds.

3. Flip the stack back and forth to make each fold until you have one strip of folded paper.

4. Once the accordion strip is complete, fold it in half to mark the center.
