

Ping Pong Popper Challenge

Game Creator Challenge

You are stuck at home during a terrible storm and there is nothing to do. Now that you know how to make a Popper your job is to design a game to entertain all the kids that are stuck at home with you.

Game 1

Your game should have:

- 1) A list of rules of what participants are allowed and not allowed to do.
- 2) A scoring system.
- 3) A method to determine the winner.

Game 2

- 1) A list of rules of what participants are allowed and not allowed to do.
- 2) A scoring system.
- 3) Team goals, no single winner or loser, just a way that everyone either achieves the goal together.
