

## Torah Globe

 15 Minutes

### Instructions:

1. Cut out the double sided printed Torah learning insert.
2. Use your markers, or pencil crayons to color in the picture.
3. Open your snow globe, and remove the blank insert that comes in it.

4. Place your picture into the snowglobe.

5. Add water, and glitter to the snowglobe and tightly close the lid.

**Optional:** For added security, glue the lid shut to prevent it from opening.

6. **Optional:** Decorate around the bottom black area of your snow globe by glueing on pompoms or gems.

7. Shake the globe and watch the glitter swirl all about!

### Think About It

Sometimes our thoughts and feelings can swirl around like the glitter in our snowglobes. By practicing mindfulness, we let those thoughts, and feelings settle. The Torah is our guide in life, by learning it we get peace of mind, and clarity.
