

## Take the Challenge

# Craft Stick Puzzle

 20 Minutes

### Instructions:

1. Line up 10 popsicle sticks in a row and tape them together using masking tape.

2. Using a black marker draw an outline of shapes or a picture and then color them in using colored markers.

3. Remove the masking tape, mix up the craft sticks and solve your puzzle!
4. Were you able to put the pieces back together?
