Bceuase of the  
phaonmneal pweor  
of the hmuan mnid,  
msot plepoe do.

### Instructions:

1. Open the Babylon Slideshow on your computer.
2. The slideshow is set up to alternate between a coded babble-on message and answer.
3. Play each coded message slide for 60 seconds. Read the words out loud and try to decode the message. Say it fast, then slow.
4. When the time is up, record your final guess on the scoresheet and click on the next slide to reveal the correct answer.
5. If you got the answer correct, add a point to your scoresheet.
6. Repeat steps 3-4 until you finish decoding all the messages!
7. When you finished all the babble-on messages, add up all your points to find out your final score!
