OVERVIEW

Make your own personalized bookmark to keep your place in your Torah books!

Instructions:

1. Wrap yarn about 50 times around the piece of cardboard, then cut off the excess yarn.

2. Slide a piece of yarn under all the yarn wrapped around the cardboard, then double knot it at the top.

3. Cut all the yarn on the opposite side and keep all the yarn folded as is.

4. Tightly double knot a piece of yarn near the top to make the head of the tassel.

5. Tightly double knot a piece of yarn underneath the previous piece of yarn.

6. Cut off all excess yarn and scraggly ends. Your yarn tassel should look like this!

7. Fold the cardstock in half lengthwise
